Greg,

Here is a nice neutral number:

Nonresponsive Conference Code

Do they have you working on that Animas River thing?

Todd,

Sorry for the delay in getting back to you. Somehow your email landed in my Junk folder. Yes I will add folks to the invite. I was hoping that Laurel as the leader would provide a conference line, either through Management Edge or ANL. Feels less like an EPA-led call that way. Let me know if that's possible, and if yes if someone provides the conference line info I'll add it to the invite too.

Best,

Greg

Hi Greg - I was talking with Laurel Boucher earlier. In looking at your initial meeting invite for our conference call on August 28 10:00 am ET, I see that the invite should include, in addition to the current invitees, Laurel Boucher ([lboucher@up.net](mailto:lboucher@up.net)), Patty Dunn ([patty.dunn@mgtedge.com](mailto:patty.dunn@mgtedge.com)) and also Lou Martino ([martinol@anl.gov](mailto:martinol@anl.gov)). In addition, Laurel thinks we might need additional time and suggests that the conference call go for an hour and 1/2 rather than an hour.

If you could modify the invite to add these (and anyone else you think should be invited) and the extend the duration, that would be great. Also, will you be sending out a conference call number?

Thanks...Todd
